Item 6

Issue of Shares Under the Brambles Limited Performance Share Plan

ASX Listing Rule 7.1 requires shareholder approval if a company intends to issue equity securities (which includes the issue of share awards and Brambles shares under the Performance Share Plan) representing more than 15% of its issued capital in any 12 month period, unless an exception applies. The applicable exception is contained in ASX Listing Rule 7.2, exception 13, which applies where shareholder approval of the issue of securities under an employee incentive scheme is obtained within three years before the issue of the securities.

Shareholder approval is being sought for the issue of Brambles shares under the Performance Share Plan. The authority granted by Resolution 6 would mean that the Company can issue shares under the Performance Share Plan without detracting from its ability to otherwise issue shares or other securities up to the limit permitted by the ASX Listing Rules.

ASX Listing Rule 7.2, exception 13 requires this Notice of Meeting to include the following specified information in relation to the Shares to be issued under the Performance Share Plan:

- A summary of the terms of the Performance Share Plan - see Annexure A to these Explanatory Notes.
- The number of securities issued under the Performance Share Plan since the date of last approval - As at 26 August 2022, being the latest practicable day prior to the publication of this Notice of Meeting, 5,017,982 Brambles shares (approximately 0.4 percent of its issued share capital) have been issued under the Performance Share Plan since 10 October 2019, being the date of last approval.
- The maximum number of equity securities proposed to be issued under the scheme following the approval – under the Performance Share Plan rules, the number of equity securities which may be granted under the plan, together with the number of equity securities granted under all of Brambles employee shares plans, may not exceed 5% of Brambles' issued share capital.
- A voting exclusion statement – see the Voting Exclusion Statement for Resolutions 6 to 9 in this Notice of Meeting. You should also read the instruction in the "How to Vote" section of his Notice on pages 16 and 17.

Noting the interests of Mr Chipchase and Ms O'Sullivan, the independent Directors of the Board unanimously recommend the approval of the issue of shares under the Performance Share Plan.

Items 7 and 8

Participation of Executive Directors in the Performance Share Plan

At the 19 October 2021 AGM, Brambles obtained shareholder approval under ASX Listing Rule 10.14 for grants of short-term and long-term share awards (Awards) under the Performance Share Plan to Mr Chipchase and Ms O'Sullivan, each an Executive Director, until the 2022 AGM.

ASX Listing Rule 10.14 requires shareholder approval for the acquisition of securities by a Director under an employee incentive scheme. Shareholder approval under ASX Listing Rule 10.14 is being sought for the issue of Awards to Mr Chipchase and Ms O'Sullivan under the Performance Share Plan. If shareholder approval is not obtained, the Board would consider alternative short and long term deferred remuneration arrangements for Mr Chipchase and Ms O'Sullivan. These could include, subject to the achievement of the performance and service conditions described in this Explanatory Note, Mr Chipchase and Ms O'Sullivan receiving a cash payment at the end of the performance period for the applicable Awards, equivalent in value to the Awards he or she would have received had shareholder approval been obtained.

ASX Listing Rule 10.15 requires the following specified information to be disclosed in relation to the Awards to be granted to Mr Chipchase and Ms O'Sullivan under the Performance Share Plan:

- (a) Which category in ASX Listing Rules 10.14.1 – 10.14.3 Mr Chipchase and Ms O'Sullivan fall within and why – Mr Chipchase and Ms O'Sullivan fall within ASX Listing Rule 10.14.1 as they are both Directors of the Company.
- (b) The number and class of securities proposed to be issued to Mr Chipchase and Ms O'Sullivan under the Performance Share Plan - Two types of annual Awards will be granted under the Performance Share Plan:
 - Short-term incentive Awards (STI Awards), which will vest two years from the date they are granted subject to Mr Chipchase and Ms O'Sullivan each being an employee of the Group at the end of that two-year period; and
 - Long-term incentive awards (LTI Awards), which will vest three years from the date they are granted subject to Mr Chipchase and Ms O'Sullivan each being an employee of the Group at the end of that three-year period and the requisite performance conditions being met. LTI Awards will be measured against the following three performance conditions:
 - One quarter of the LTI Awards will be measured on relative total shareholder return performance as against the top 100 ASX companies;
 - One quarter of the LTI Awards will be measured on relative total shareholder return performance as against the 50 companies either side of Brambles' rolling 12 month average market capitalisation on the MSCI World Industrials Index; and
 - The remaining half of the LTI Awards will be measured against the achievement of sales revenue targets with three-year performance hurdles set on a compound annual growth rate (CAGR) basis. The sales revenue CAGR targets are underpinned by a return on capital invested (ROCI) hurdles to maintain quality of earnings.

Each year, the Board's Remuneration Committee sets annual STI Award performance objectives for various financial metrics and personal objectives at a "threshold" (the minimum necessary to qualify for the awards), "target" (when the performance target is met) and "maximum" (when targets have been significantly exceeded and the award has reached its upper limit). At the end of each year, the Remuneration Committee will assess the achievement of those metrics and objectives and whether threshold, target or maximum performance has been achieved for each of them. Details of the financial and personal objectives and the achievement of those objectives for the year ended 30 June 2022 are set out on pages 60 and 61 of Brambles' 2022 Annual Report.

The number of STI Awards that will be granted to Mr Chipchase and Ms O'Sullivan each year under the terms of their respective service agreements will be the specified percentage of their base salaries (being £1,251,500 and £701,000 respectively) set out in the table below based on whether threshold, target or maximum performance is achieved in the relevant year, divided by the volume weighted average price for the Company's shares for the five trading days up to and including the date of grant at the time of the grant (the **STI Formula**).

STI Awards: Performance Against Annual Targets	Graham Chipchase % of base salary	Nessa O'Sullivan % of base salary
Threshold	35	35
Target	60	60
Maximum	90	90

Page 61 of Brambles' 2022 Annual Report shows the achievement at both threshold, target or maximum and as a percentage of base salary for the financial and personal objectives for the year ended 30 June 2022. The total percentage of base salary for the achievement of those objectives was:

- For Mr Chipchase, 128.6%, half of which (being 64.3%) is allocated to STI Awards; and
- For Ms O'Sullivan, 135.3%, half of which (being 67.7%) is allocated to STI Awards.

Applying the STI Formula, the number of STI Awards to be granted to Mr Chipchase and Ms O'Sullivan will be their respective base salaries, as outlined above, multiplied by 64.3% for Mr Chipchase and 67.7% for Ms O'Sullivan, and divided by the volume weighted average price for the Company's shares for the five trading days up to and including the date of grant, expected to be on or around 21 October 2022.

Under the Performance Share Plan, for STI Awards granted for the 2023 financial year, if Brambles declares a dividend in the period commencing from the day on which the STI Award is granted and ending on the day the STI Award vests and the underlying shares are issued (**Relevant Dividend**), Mr Chipchase and Ms O'Sullivan will each be entitled to receive the following number of Brambles shares (**Dividend Equivalent Shares**) in respect of each Relevant Dividend (**DE Formula**):

$$\text{Dividend Equivalent Shares} = (\text{RD Amount} \times \text{N}) / \text{VWAP}$$

where:

RD Amount = the amount per share of the Relevant Dividend;

N = the number of STI Awards to which the Relevant Dividend relates and granted to Mr Chipchase or Ms O'Sullivan, as the case may be; and

VWAP = the volume weighted average price for the Company's shares for the five trading days up to and including the date of issue of the Dividend Equivalent Shares.

The number of LTI Awards made to Mr Chipchase and Ms O'Sullivan will be 130% of his or her base salary divided by the volume weighted average price for the Company's shares for the five trading days up to and including the date of grant at the time of the grant (the **LTI Formula**). The LTI Awards to be granted for the 2023 financial year will have a three year performance period commencing 1 July 2022 and ending 30 June 2025 and the vesting matrix for the sales revenue CAGR targets and ROCI performance condition component of those awards is as follows:

	ROCI		
Sales revenue CAGR	16%	17.5%	19%
5%	–	20%	40%
6%	20%	40%	60%
7%	40%	60%	80%
8%	60%	80%	100%
9%	80%	100%	100%

The sales revenue CAGR and ROCI targets in the above matrix were set by the Remuneration Committee having regard to the Company's Remuneration Policy (outlined in Section 2 of the Remuneration Report, which is on page 53 of Brambles' 2022 Annual Report) as well as Brambles' three-year plan for its strategic priorities and financial objectives. The vesting schedule is not intended to be and should not be relied on by current or potential Brambles' shareholders as, forecasts of future performance.

- (c) If the person is a director under ASX Listing Rule 10.14.1, details (including the amount) of the director's current total remuneration package –

The remuneration packages of Mr Chipchase and Ms O'Sullivan comprise the following elements:

- Fixed Remuneration comprising base salary, superannuation and other benefits (being annual medical assessments, company car benefits and tax support);
- At Risk Remuneration comprising:
 - Participation in the executive short-term incentive plan under which they are eligible to receive an annual cash bonus and a grant of STI Awards under the Performance Share Plan in the manner described in paragraph (b) of this Explanatory Note; and
 - Participation in the long-term incentive plan under which they are eligible to receive an annual grant of LTI Awards under the Performance Share Plan in the manner described in paragraph (b) of this Explanatory Note.

Details of these packages, their elements and the operation of the At Risk Remuneration are set out in section 3 of Brambles' 2022 Remuneration Report on pages 54 to 59 of the 2022 Annual Report.

The amount of Mr Chipchase's and Ms O'Sullivan's remuneration packages will vary each year depending on whether and if so to what extent STI Awards and LTI Awards vest in the applicable year. For the year ended 30 June 2022, the actual remuneration received by Mr Chipchase was US\$5.169 million and Ms O'Sullivan was US\$2.998 million. Further details on their actual remuneration is set out in section 4.4 of Brambles' 2022 Remuneration Report on page 63 of the 2022 Annual Report.

- (d) The number of securities that have previously been issued to Mr Chipchase and Ms O'Sullivan under the Performance Share Plan and the average acquisition price for those securities - The following Awards have been received under the Performance Share Plan since it was last approved by shareholders on 19 October 2021:

Name	Type of Awards	Date of grant	Number of share rights
Graham Chipchase	STI	20 October 2021	152,701
	LTI	20 October 2021	282,304
Nessa O'Sullivan	STI	20 October 2021	85,684
	LTI	20 October 2021	158,100

No consideration was payable for any of the above Awards.

- (e) As the STI Awards and LTI Awards are not fully paid ordinary shares:
- A summary of the material terms of the Performance Share Plan – See Annexure A;
 - An explanation of why STI Awards and LTI Awards are being used – Under their remuneration packages, Mr Chipchase and Ms O'Sullivan are eligible to participate in the short-term and long-term incentive plans referred to in paragraphs (b) and (c) of this Explanatory Note. Those plans include the grant of STI Awards and LTI Awards under the Performance Share Plan. STI Awards and LTI Awards comprise share rights which are, in turn, an option to subscribe for or acquire fully paid ordinary shares in Brambles subject to the performance conditions to which they are subject being satisfied.

The use of share rights in the Performance Share Plan is to align executive remuneration with the creation of shareholder value so that participants in the Performance Share Plan only receive the underlying Brambles fully paid ordinary shares to which the share rights relate if the performance conditions to which vesting of the share rights is subject are satisfied; and

- The value the Company attributes to the STI Awards and LTI Awards and its basis – Under the terms of the Performance Share Plan, no consideration is payable on the grant and, if they vest, the exercise of STI Awards and LTI Awards. Awards granted under the Performance Share Plan are accounted for at the fair value at grant date in accordance with the relevant accounting standard AASB 2: Share-based payment. The fair value takes into account the underlying share price, risk free interest rate, volatility of the underlying share price and expected dividends. The fair value of the STI Awards and LTI Awards are expensed in the Brambles' Income Statement over the applicable performance period.
- (f) The date or dates on or by which the securities will be issued to Mr Chipchase and Ms O'Sullivan under the Performance Share Plan – Securities are expected to be issued to Mr Chipchase and Ms O'Sullivan on or around 21 October 2022 and in any event before the 2023 Annual General Meeting.
- (g) The price at which the securities will be issued to Mr Chipchase and Ms O'Sullivan under the Performance Share Plan – See the STI Formula, the LTI Formula and the DE Formula set out in paragraph (b) of this Explanatory Note, each of which are based on the market price of the Company's shares.
- (h) A summary of the material terms of the Performance Share Plan – See Annexure A.
- (i) The terms of any loan in relation to the acquisition of the securities – This is not applicable.
- (j) Details of any securities issued under the Performance Share Plan will be published in each Annual Report of Brambles relating to a period in which securities have been issued, with a statement that approval for issue of the securities was obtained under ASX Listing Rule 10.14. Any Directors or their associates may not participate until shareholder approval of their participation is obtained under ASX Listing Rule 10.14.
- (k) A voting exclusion statement – see the Voting Exclusion Statement for Resolutions 6 to 9 in this Notice of Meeting. You should also read the instructions in the "How to Vote" section of this Notice on pages 16 and 17.

Mr Chipchase's and Ms O'Sullivan's participation in the Performance Share Plan, being consistent with the participation of other senior executives of Brambles in those plans, is unanimously recommended to shareholders by the independent Directors of the Board. If approved, Awards under the Performance Share Plan may be issued to Mr Chipchase and Ms O'Sullivan until the 2023 Annual General Meeting.

Item 9

Participation of Executive Director in the MyShare Plan

Under the terms of his employment contract, Graham Chipchase is entitled, subject to obtaining shareholder approval, to participate in Brambles' employee share plans including Brambles' MyShare plan.

Brambles' MyShare Plan is a global employee share contribution plan. Employees can choose to participate in MyShare for a two-year period commencing in March in any given year. Participants purchase Brambles shares through payroll deductions (up to a maximum of A\$6,000 per annum). These are called Acquired Shares. Subject to participants' remaining an employee of the Brambles Group at the end of the two-year period, participants receive an equivalent number of Brambles shares equal to the number of Acquired Shares they hold at the end of that two-year period. These are called Matched Shares. No consideration is payable for Matched Shares.

ASX Listing Rule 10.14 requires shareholder approval for an issue of securities to a director under an employee incentive scheme.

Graham Chipchase became an employee of the Company on 1 January 2017 and a director of the Company on 20 February 2017. At the 16 November 2016 AGM, Brambles obtained shareholder approval under ASX Listing Rule 10.14 for participation by Mr Chipchase in the MyShare Plan until 16 November 2019. At the 10 October 2019 AGM, Brambles obtained shareholder approval under ASX Listing Rule 10.14 for participation by Mr Chipchase in the MyShare Plan until 10 October 2022. Shareholder approval for his continued participation in the MyShare Plan is therefore being sought under this rule. If shareholder approval is not obtained, Mr Chipchase will be unable to participate in the MyShare Plan.

ASX Listing Rule 10.15 requires the following specified information to be disclosed in relation to the shares to be issued to Graham Chipchase under the MyShare Plan:

- (a) Which category in ASX Listing Rules 10.14.1 – 10.14.3 Mr Chipchase falls within and why – Mr Chipchase falls within ASX Listing Rule 10.14.1 as he is a Director of the Company.
- (b) The number and class of securities proposed to be issued to Mr Chipchase under the MyShare Plan – The securities proposed to be issued are fully paid ordinary shares, and the maximum number of securities that may be acquired each month will be determined by the following formula:

$$(A\$6,000/12)/MP$$

where MP is the market price of Brambles shares acquired on the ASX on the last trading day of the relevant month during the applicable MyShare Plan year (the **MyShare Formula**).

The following is a worked example of the application of this formula for a MyShare Plan year. It assumes that Mr Chipchase contributes the maximum amount of A\$6,000 for that year, that the market price (i.e. MP in the MyShare Formula) of Brambles shares on the last trading day of each month of that year is A\$12.64 (being the closing price of those shares on 26 August 2022, the latest practicable day prior to the publication of this Notice of Meeting), and that the matching ratio is 1:1.

$$\text{Monthly contribution} = A\$6,000/12 = A\$500$$

$$\text{Number of Acquired Shares for MyShare Plan year} = A\$500/A\$12.64 \times 12 = 475$$

$$\text{Number of Matched Shares for MyShare Plan year} = 475$$

The actual number of Acquired Shares and Matched Shares which Graham Chipchase would acquire will depend on the actual monthly contribution and market price of Brambles shares on the last trading day of each month of the relevant MyShare Plan year and so may be higher or lower than the amounts in the above example.

Participants in the MyShare Plan may elect to invest any post-tax dividends in respect of Acquired Shares to acquire additional shares called Dividend Shares. The number of Dividend Shares to which a Participant is entitled is determined by dividing the cash dividend that would otherwise be payable to the Participant on his or her Acquired Shares by the daily average of the volume weighted average market price for Brambles shares sold on the ASX for a period of 10 trading days commencing on the second trading day after the record date for the relevant dividend (rounded to the nearest cent) (DS Formula). If Mr Chipchase elects to invest his post-tax dividends to acquire Dividend Shares, he will also be issued with those Dividend Shares in accordance with the DS Formula.

- (c) If the person is a director under ASX Listing Rule 10.14.1, details (including the amount) of the director's current total remuneration package – the remuneration package of Mr Chipchase comprise the following elements:
- Fixed Remuneration comprising base salary, superannuation and other benefits (being annual medical assessments, company car benefits and tax support);
 - At Risk Remuneration comprising:
 - Participation in the executive short-term incentive plan under which he is eligible to receive an annual cash bonus and a grant of STI Awards under the Performance Share Plan in the manner described in paragraph (b) of this Explanatory Note for Resolutions 7 and 8; and
 - Participation in the long-term incentive plan under which he is eligible to receive an annual grant of LTI Awards under the Performance Share Plan in the manner described in paragraph (b) of this Explanatory Note for Resolutions 7 and 8.

Details of his package, its elements and the operation of the At Risk Remuneration are set out in section 3 of Brambles' 2022 Remuneration Report on pages 54 to 59 of the 2022 Annual Report.

The amount of Mr Chipchase's remuneration package will vary each year depending on whether and if so to what extent STI Awards and LTI Awards vest in the applicable year. For the year ended 30 June 2022, the actual remuneration received by Mr Chipchase was US\$5.169 million. Further details on his actual remuneration is set out in section 4.4 of Brambles' 2022 Remuneration Report on page 63 of the 2022 Annual Report.

(d) The number of securities that have previously been issued to Mr Chipchase under the MyShare Plan and the average acquisition price for those securities since the last approval on 10 October 2019.

Item 10

Amendments to Constitution

Background

The Constitution of Brambles was last amended in November 2010.

Prior to the 2021 Annual General Meeting, Brambles undertook a review of the Constitution and proposed in Item 8 at the 2021 Annual General Meeting some modifications to reflect certain changes to corporate governance practice, the Corporations Act and ASX Listing Rules, to better accommodate hybrid meetings, and which update certain legacy provisions and outdated terminology. Brambles withdrew the proposed Item 8 at the 2021 Annual General Meeting following some reservations that had been expressed about companies holding virtual meetings. Brambles therefore proposes materially the same modifications to the Constitution as proposed in the withdrawn Item 8 at the 2021 Annual General Meeting, with the exception of the modifications which would have permitted Brambles to hold shareholder meetings using virtual technology to the extent permitted by law. A copy of the Constitution which sets out the proposed amendments is available on the Company's website at brambles.com/annual-general-meetings.

Under section 136 of the Corporations Act, amendments to the Constitution may only be made by a special resolution of shareholders.

Recommendation

The Board recommends that shareholders vote in favor of Item 10.

Annexure A - Summary of the Performance Share Plan

Awards are rights to Brambles Limited Shares. Two types of awards can be made under the Performance Share Plan:

1. STI Awards – under which participants who receive a cash annual employment bonus (“STI Cash Award”) in respect of a financial year may also receive a bonus in the form of an award over Brambles Limited Shares. STI Awards may also be granted to employees who do not ordinarily receive an STI Cash Award; and
2. LTI Awards – which are long-term incentives, the vesting of which is subject to performance conditions. The Remuneration Committee of Brambles Limited will determine the number of shares subject to an LTI Award.

When the Remuneration Committee of Brambles Limited makes an award, it will determine whether the award will take the form of a conditional right, a share right and/or a phantom award. A share right, once vested, must be exercised in order for the holder to become unconditionally entitled to the underlying shares. Once a conditional right vests, the holder is unconditionally entitled to the underlying shares without taking any further action. Recipients of phantom awards can only ever receive a cash amount, and cannot obtain the underlying shares in any circumstances.

Eligibility

The Remuneration Committee of Brambles Limited may select to participate in the plan any employee of Brambles Limited or its subsidiaries or relevant joint venture companies (“Employer Group”) who is not within six months of the date on which they are bound to cease employment under the terms of their contract of employment or has not given or been given notice terminating their employment. In practice it is intended that the plan will generally be extended to the most senior executives in the Group.

Timing of grants

Awards will normally only be granted within 42 days after the announcement by Brambles Limited of its results for any period, or at other times in exceptional circumstances.

Limits on awards to any one person

The market value of Brambles Limited Shares subject to STI Awards and LTI Awards made to any person in any financial year, shall not be more than two and a half times their base salary. However, the Remuneration Committee of Brambles Limited may increase this limit to three times base salary in exceptional circumstances.

For all participants, the number of Brambles Limited Shares subject to awards each year will be a specified percentage of their respective base salary for that year divided by the volume weighted average price for the Company’s shares for the five trading days up to and including the date of grant at the time of the grant.

STI Awards

Participants who receive an STI Cash Award in respect of a financial year may also receive a bonus in the form of an award over Brambles Limited Shares (the latter being in the form of an STI Award). STI Awards may also be granted to employees who do not ordinarily receive an STI Cash Award. An STI Award normally only vests two years after grant and if the participant is still employed in the Employer Group. Participants who receive an STI Award will also be entitled to receive payments in respect of the dividends paid by Brambles Limited for the shares underlying their STI Award during the two-year vesting period. These payments will be by way of either cash or shares.

LTI Awards

The Remuneration Committee of Brambles Limited may grant any eligible employee an LTI Award. An LTI Award normally only vests three years after grant, to the extent that the performance condition is met and if the employee is still employed in the Employer Group (see sections below regarding leavers and changes of control). LTI Awards which have not vested at the end of the performance period will lapse.

The percentage of Brambles Limited Shares subject to an LTI Award which vest will be determined in accordance with a prescribed formula.

The vesting of LTI Awards under the Performance Share Plan is subject to the following performance conditions:

- One quarter of the LTI Awards will be subject to a vesting condition based on the total shareholder return (TSR) of Brambles Limited compared to the TSR of the companies in the S&P/ASX100; and
- One quarter of the LTI Awards will be subject to a vesting condition based on the TSR of Brambles Limited compared to the 50 companies either side of Brambles' rolling 12 month average market capitalisation on the MSCI World Industrials Index; and
- Half of the LTI awards will be subject to a vesting condition based on the achievement of sales revenue targets with three year performance hurdles set on a compound annual growth rate basis. The sales revenue growth elements will be underpinned by return on capital invested hurdles to ensure quality of earnings is maintained at a strong level.

The TSR calculations will be based on average daily closing share prices in the three months immediately preceding the start and the three months immediately preceding the end of the performance period.

Leaving employment

An unvested award will only lapse if the employee ceases to be employed in the Employer Group as a result of resignation or termination by the Company for gross misconduct or poor performance. Awards will not lapse if the employee leaves employment for any other reason (known as "good leavers") unless the Board determines otherwise within 60 days of the employee leaving employment. In such cases, STI Awards will

continue in effect until they vest (unless a portion is deemed to vest early to satisfy any tax liability that might arise upon the employee leaving employment) and other awards will continue in effect until the end of the performance period and will vest to the extent the performance condition is then satisfied. The number of Brambles Limited Shares in respect of which LTI Awards will vest will be reduced in these circumstances to reflect the portion of the performance period during which the employee was in employment.

In all other cases where the employee leaves employment, vested share rights remain exercisable up to and including the first anniversary of the leaving date, and the Brambles Limited Shares underlying a vested conditional right will be transferred to the employee as soon as possible (even where the employee has left before the transfer occurs).

Overall limits

No award shall be granted under the Performance Share Plan if it would cause the number of Brambles Limited Shares which may be issued under that award, when aggregated with the number of Brambles Limited Shares which:

- (a) May be issued under any other outstanding award granted under the Performance Share Plan and all other employee incentive schemes; and
- (b) Have been issued in the previous five years under the Performance Share Plan or under any other employee incentive schemes,

to exceed 5% of the ordinary share capital of Brambles Limited at the time of the grant, after taking account of awards and issues which may be excluded for the purpose of calculating that 5% limit. This limit is included to take advantage of certain regulatory exemptions in Australia (and reflects the limit in ASIC Class Order 14/1000).

Change of control

If there is a takeover or reconstruction or similar transaction affecting the Brambles Group, awards may vest early. The Remuneration Committee of Brambles Limited, acting fairly and reasonably, will decide the extent to which awards will vest, having regard to the length of time between the start of the performance period and the relevant event and the extent to which the performance conditions have been met up to that point, and the portion of the performance period during which the employee was employed.

Alternatively, awards may be exchanged for equivalent awards over shares in an acquiring company subject to the consent of that company.

Variations of capital

If there is a variation in Brambles Limited share capital (such as a bonus or rights issue) or if a transaction occurs which would affect the value of awards (for example, a demerger), the Remuneration Committee of Brambles Limited may adjust the number and/or description of shares subject to awards to reflect the variation or transaction in such manner as it considers is appropriate (and subject to the ASX Listing Rules).

Other terms

- An employee is not required to pay anything for the grant of an award unless the Board of Brambles Limited decides otherwise.
- The Board may cancel any Award which has been granted but which has not vested in a number of circumstances, including:
 - If the Board reasonably considers that the Participant has engaged or participated in conduct which adversely affects, or is likely to adversely affect, the Company's financial position or reputation;
 - To protect the financial soundness of the Company;
 - To respond to unforeseen or exceptional events; and
 - As a result of any other subsequent or adverse development following the grant of an Award.
- The Board has discretion to determine that vested awards may be settled in either cash or shares.
- Benefits under the Performance Share Plan will not count for the purposes of an employee's pension or superannuation rights and cannot be transferred, assigned or otherwise disposed of.
- Recipients of phantom awards can only ever receive a cash amount, and cannot obtain the underlying shares in any circumstances.
- Shares allotted to satisfy awards will rank equally with other shares of the same class in issue on the date of allotment except for rights arising before such allotment. Applications will be made for shares to be quoted on the ASX.
- No awards may be granted more than ten years after the last approval of the Performance Share Plan by Shareholders.
- Awards may be satisfied by the issue of new shares, the transfer of existing shares or, where a phantom award has been made, in cash.
- Awards will always lapse, at the latest, six years after grant.

Amendment

The Board of Brambles Limited may alter the Performance Share Plan at any time, but amendments to the main terms of the Performance Share Plan (that is, those relating to eligibility, individual and plan limits, terms of vesting of awards and adjustments to awards) which are to the advantage of participants or eligible employees will require the prior approval of Brambles Limited Shareholders.

The approval of Brambles Limited Shareholders will not be required for any amendment which is minor, to benefit the administration of the plan, to take advantage of new legislative provisions or any development in the law or to obtain or maintain favourable tax, exchange control or regulatory treatment for the Employer Group or participants. Similarly, the Board of Brambles Limited can (subject to the ASX Listing Rules) amend the terms of any performance conditions if events happen which cause them to consider that the performance condition will not achieve its original purpose, provided that the amended performance condition is no less difficult to satisfy.

Annexure B - Summary of the MyShare Plan

The MyShare Plan is a global employee share plan. The objectives in offering the MyShare Plan to employees are to:

- Increase the proportion of employees who hold shares in Brambles;
- Assist in the retention of employees; and
- Leverage the Brambles identity in its business, and align the interests of Brambles' employees with those of its shareholders.

Under the MyShare Plan, employees may acquire ordinary shares at a price determined by the Board (Acquired Shares) which they must hold for a two-year period. If they hold the shares and remain employed at the end of that two-year period, Brambles will match the number of shares they hold by issuing or transferring to them the same number of shares which they held for the qualifying period at no additional cost to the employee (Matched Shares). Employees may elect to reinvest the dividends payable on their Acquired Shares to purchase more shares in Brambles (Dividend Shares). The Board has discretion to set an annual limit on the annual value of Acquired Shares that participants may purchase up to a maximum of A\$6,000. The Board has set this limit at A\$6,000. The Board has discretion to determine the price at which Acquired Shares will be purchased. The Board has determined that Acquired Shares will be purchased on-market each month during a MyShare Plan year on the last trading day of each month.

A summary of the terms of the MyShare Plan is set out below.

Which employees are eligible to participate in the MyShare plan?

All permanent full-time and part-time employees and Executive Directors of Brambles are eligible to participate in the MyShare Plan.

Will all eligible participants receive the same offer?

Yes, except where differences are required under the laws or practices of the country in which a participant resides or is employed.

Is there a limit on the number of shares that participants may purchase?

Yes. The Board will have discretion to set an annual limit on the annual value of Acquired Shares that participants may purchase under the MyShare Plan up to a maximum of A\$6,000 per annum.

What is the purchase price for the Acquired Shares?

The Board will have discretion to determine the price (if any) at which the Acquired Shares will be offered and how payment can be made. Acquired Shares may be new shares issued by the Company or shares purchased on-market.

How does a participant pay for the Acquired Shares?

Participants must pay for their Acquired Shares using their own funds (post-tax).

How does a participant become entitled to the Matched Shares?

Participants must meet two conditions (Matching Conditions) before they can receive Matched Shares.

- Hold the acquired Shares for a two-year period (or such other period specified by the Board) from the first allocation date
- Still be employed by Brambles at the end of the two-year period (or such other period specified by the Board).

The maximum ratio of Matched Shares to Acquired Shares (called the matching ratio) is 2:1 for the first A\$1,000 contributed to MyShare annually, and 1:1 thereafter. The current matching ratio is 1:1 for all contributions.

What are "Dividend Shares"?

Participants may invest any post-tax dividends in respect of Acquired Shares to acquire additional shares, called Dividend Shares. There are no Matched Shares in relation to Dividend Shares.

Does the MyShare Plan make provision for the allocation of Matched Shares to participants who leave Brambles?

Participants who cease to be employed prior to satisfying the Matching Conditions as a result of resignation or termination by the Company for gross misconduct or poor performance will lose all entitlements to receive Matched Shares. Participants who cease to be employed for any other reason are treated as "Good Leavers" under the rules of the MyShare Plan, and may retain entitlements to Matched Shares on existing Acquired Shares.

What are the terms of the Acquired Shares, Dividend Shares and Matched Shares?

As Acquired Shares and Dividend Shares are purchased by participants using their own funds, those shares have all the same entitlements as other ordinary shares. Participants will be entitled to direct the manner in which their Acquired Shares and Dividend Shares are voted, to receive all dividends and to participate in any capital reorganisations from the date the Acquired Shares and Dividend Shares are acquired by the participant.

However, participants will only become entitled to vote, receive dividends and participate in any capital reorganisations in relation to Matched Shares after the Matching Conditions in respect of the Matched Shares have been satisfied.

Are there any restrictions on a participant's ability to deal with the Acquired Shares, Dividend Shares and Matched Shares?

No. However, if a participant disposes of all or any of their Acquired Shares before the end of the applicable qualification period, they will lose the right to receive Matched Shares in relation to the Acquired Shares they have sold.

Participants must also observe the Brambles Securities Trading Policy in relation to the sale of any Acquired Shares, Dividend Shares or Matched Shares.

How will shares obtained under the MyShare Plan be held?

The MyShare Plan may operate with an Employee Share Ownership Plan Trust (Plan Trust). A Plan Trust may be established at any time without the need for shareholder or participant approval. Such a trust may be used to hold Acquired Shares, Dividend Shares and Matched Shares, and Brambles may settle funds on the Plan Trust so that the trustee can either acquire shares on-market or subscribe for new shares from Brambles to satisfy an obligation to deliver Matched Shares. The trustee may then transfer any shares it holds under the Plan Trust to a participant in satisfaction of their entitlement to receive Matched Shares.

How can the MyShare Plan be amended?

Without the consent of the participants, no amendment may be made to any restriction or other condition relating to Acquired Shares, Dividend Shares or Matched Shares which would reduce the rights of the participants to those shares.

No amendments can be made to certain terms (such as the maximum value of Acquired Shares that a participant may acquire in any year or the maximum ratio of Matched Shares to Acquired Shares) without shareholder approval.

Is there any limit on the number of new shares that may be issued under the MyShare Plan and any other Brambles employee share plan?

The limit on the number of new shares that may be issued under the MyShare Plan and any other employee share plan is 5% of the shares on issue in accordance with the Australian Securities and Investments Commission Class Order 14/1000.

What happens if there is a change of control of Brambles?

If there is a change of control of Brambles, the Board may determine that the Matching Conditions are satisfied in respect of some or all Matched Shares.

How to Vote

Voting Methods

Ordinary shareholders can vote in one of the following ways:

- By attending the meeting in person and voting, either in person, by attorney or, in the case of corporate shareholders, by corporate representative (see the 'Voting in Person' section below for further details);
- By attending the meeting online and voting using the online voting facility, either in person, by attorney or, in the case of corporate shareholders, by corporate representative (see the 'Direct Voting Online During the Meeting' section below for further details);
- By lodging a direct vote electronically by visiting www.votingonline.com.au/bxbagm2022 or by using a shareholder voting form (see the 'Direct Voting Prior to the Meeting' section below for further details); or
- By appointing a proxy to attend and vote at the meeting on their behalf electronically by visiting www.votingonline.com.au/bxbagm2022 or by using a shareholder voting form (see the 'Proxy Voting' section below for further details).

Voting on the items set out in this Notice will be conducted on a poll.

Voting Deadline

Shareholders who wish to cast a direct vote or appoint a proxy to attend and vote at the meeting on their behalf, must either:

- Complete their electronic instructions on www.votingonline.com.au/bxbagm2022; or
- Complete and return a shareholder voting form to:
 - Brambles share registry, either by post or hand to Boardroom Pty Limited, Level 12, 225 George Street, Sydney NSW 2000; or
 - The facsimile number +61 2 9290 9655,

by 2.00pm AEDT on Sunday, 16 October 2022 or, if the meeting is adjourned, at least 48 hours before its resumption in relation to the adjourned part of the meeting.

Direct votes or proxy appointments received after this time will be invalid.

Voting in Person

Shareholders who plan to attend the meeting are asked to arrive at the venue by 1.00pm (AEDT) if possible, so that their shareholding may be checked against the share register and attendance noted. Shareholders attending in person must register their attendance on arrival.

Where more than one joint shareholder votes, the vote of the shareholder whose name appears first in Brambles' share register shall be accepted to the exclusion of the others.

To vote in person at the meeting, a company which is a shareholder may appoint an individual to act as its representative. The representative should bring to the meeting a letter or certificate evidencing their appointment. A form of certificate may be obtained from Brambles' share registry at www.investorserve.com.au (see the "Investor Services", "Forms" section – under the "General" heading), by calling 1300 883 073 (if in Australia) or +61 2 9290 9600 (if outside Australia) or from Boardroom Pty Limited, Level 12, 225 George Street, Sydney NSW 2000.

Direct Voting Online During the Meeting

Shareholders or proxyholders who wish to cast a direct vote during the meeting may do so live online. To cast your vote, login to the meeting using your computer, tablet or smartphone by entering <https://web.lumiagm.com/313124078> into your browser and then enter:

- The meeting ID, which is 313-124-078;
- Your username, which is your Voting Access Code (which is located on the AGM notification letter dated 2 September 2022 from the Chair); and
- Password, which is the postcode registered to your holding if you are an Australian resident. Overseas residents should refer to the AGM Online User Guide on page 21 of this notice for their password details.

If you have been nominated as a third party proxy, please contact Boardroom by email on proxy@boardroomlimited.com.au or on 1300 883 073 (within Australia) or +61 2 9290 9600 (outside of Australia) to receive your username and password.

Attending the meeting online enables shareholders to view the meeting live and to also ask questions and cast direct votes at the appropriate times whilst the meeting is in progress.

If a shareholder casts a direct vote live during the meeting on a particular resolution, they are taken to have revoked the authority of a proxy, attorney or representative to vote on their behalf on that resolution under an instrument of appointment received by Brambles before registering online for direct voting.

More information regarding participating in the meeting online, can be found by visiting brambles.com/annual-general-meetings or in the AGM Online User Guide on pages 18 to 21 of this Notice.

Direct Voting Prior to the Meeting

Shareholders have the choice of casting “direct votes” in advance of the AGM as an alternative to appointing a proxy to cast their votes. If you cast a direct vote prior to the AGM you may still attend the meeting in person or online. If you attend the meeting in person or online, your direct vote will not be cancelled unless you cast a direct vote live during the meeting.

To lodge direct votes, shareholders should either:

- Visit www.votingonline.com.au/bxbagm2022, go to the “Vote Online” section and follow the prompts and instructions (shareholders will need their Voting Access Code (VAC) to hand which is located on the AGM notification letter dated 2 September 2022 from the Chair); or
- Use a shareholder voting form. Shareholders who have elected to receive their shareholder communications in hard copy can use the shareholder voting form enclosed with this notice. Shareholders who have not elected to receive their shareholder communications in hard copy and wish to cast a direct vote using a hard copy of a shareholder voting form can obtain a form by contacting Boardroom on 1300 883 073 (within Australia) or +61 2 9290 9600 (outside of Australia).

For direct votes to be effective, they must be lodged as specified in the Voting Deadline section on page 16.

If a shareholder is entitled to cast two or more votes at the meeting, the shareholder may specify the proportion or number of direct votes that they wish to cast “For”, “Against” or specify that they will “Abstain” from voting on an item. Fractions of votes will be disregarded.

If a shareholder specifies that they will “Abstain” from voting on an item, the shares that are the subject of the direct vote will not be counted in calculating the required majority. The Brambles Limited Rules for Direct Voting at General Meetings are available at brambles.com in the “Investor Centre”, “Annual General Meetings” section.

Proxy Voting

To appoint a proxy, shareholders should either:

- Visit www.votingonline.com.au/bxbagm2022, go to the “Vote Online” section and follow the prompts and instructions (shareholders will need their Voting Access Code (VAC) to hand which is located on the AGM notification letter dated 2 September 2022 from the Chair); or
- Use a shareholder voting form. Shareholders who have elected to receive their shareholder communications in hard copy can use the shareholder voting form enclosed with this notice. Shareholders who have not elected to receive their shareholder communications in hard copy and wish to cast a direct vote using a hard copy of a shareholder voting form can obtain a form by contacting Boardroom on 1300 883 073 (within Australia) or +61 2 9290 9600 (outside of Australia).

For proxy appointments to be effective, they must be completed by the time specified in the Voting Deadline section on page 16.

If a proxy is instructed to abstain from voting on an item of business, they are directed not to vote on the shareholder’s behalf, and on a poll, the shares that are the subject of the proxy appointment will not be counted in calculating the required majority.

A proxy need not be a shareholder.

The Corporations Act provides the following for the processing of proxy votes.

Directed Proxy Votes

If you appoint someone other than the Chairman of the meeting as your proxy and give them voting instructions, the Corporations Act provides that the Chairman of the meeting must cast those proxy votes on your behalf if your nominated proxy does not do so.

Undirected Proxy Votes

Shareholders are encouraged to consider how they wish to direct their proxies to vote. Other than members of Brambles’ key management personnel or their closely related parties voting as a proxy on Resolutions 2 and 6 to 9, if a proxy is not directed how to vote on an item of business, the proxy may vote, or abstain from voting, as they think fit.

Should any resolution, other than those specified in this Notice, be proposed at the meeting, a proxy may vote on that resolution as they think fit.

If you wish to appoint a Director (other than the Chair) or other member of Brambles’ key management personnel or their closely related parties as your proxy, you must specify how they should vote on Resolutions 2 and 6 to 9 by completing the “For”, “Against” or “Abstain” boxes when appointing a proxy. If you do not do that, your proxy will not be able to exercise your vote on your behalf for those resolutions.

The Chair will be able to exercise your vote on your behalf on Resolutions 3, 4, 5 and 10 as he sees fit if you appoint the Chair as your proxy, but do not direct him how to vote (in which case the Chair will vote in favour of each of those items).

If you appoint the Chair as your proxy in relation to Resolutions 2 and 6 to 9 but do not complete any of the boxes “For”, “Against” or “Abstain” opposite that resolution, you expressly authorise the Chair of the meeting to exercise your proxy even if the resolution is connected directly or indirectly with the remuneration of a member of Brambles key management personnel. The Chair intends to vote undirected proxies in favour of Resolutions 2 and 6 to 9. If you wish to appoint the Chair as proxy with a direction to vote against, or to abstain from voting on Resolutions 2 and 6 to 9, you should specify this by completing the “Against” or “Abstain” boxes at www.votingonline.com.au/bxbagm2022 or on the shareholder voting form.

Revocations of proxies

Any revocations of proxies must be made at www.votingonline.com.au/bxbagm2022 or, if you use a hard copy shareholder voting form, must be received by Brambles’ share registry or at Brambles’ registered office, using one of the addresses or the fax number in the Voting Deadline section on page 16, before the commencement of the meeting.

Shareholders who are entitled to vote

In accordance with Regulation 7.11.37 of the Corporations Regulations 2001 (Cth), the holders of Brambles ordinary shares for the purposes of the meeting will be those registered holders of Brambles ordinary shares at 7.00pm AEDT on Sunday, 16 October 2022.
